

Preventive care is the best way to promote your pet's health and well being.

Paw Packages make providing high quality health care for your pet easy. Paw Packages are NOT insurance but annual care plans that offer significant discounts on preventive services and allow you to spread the cost of care over 12 months. Our Paw Packages include semi-annual comprehensive wellness exams, up to two additional office visits, vaccinations, screenings, blood tests and additional services depending on the selected plan level.

Keeping your bond strong and healthy

Paw Packages help you proactively care for your pets, save money on routine and ancillary services and plan and pay for your pet's health care services over time. Most importantly, Paw Packages help your pets get the ongoing care to live longer, healthier lives. Be proactive in managing your pet's health with Paw Packages.

Keeping your pet healthy

Our Paw Packages will help you provide your pet with a comprehensive level of preventive care. Adopting a plan early on, you have the opportunity to eliminate or minimize the possibility of potential health risks to your pet. Regardless of your companion's age, taking advantage of our preventive care plan will assist you with the early detection and treatment.

Paw Packages were developed by our veterinarians for your companion to receive a broad range of services at an exceptional value to you. We will work together to give your companion the best care at an affordable cost.

It starts with a plan
